Rules and Guidelines as applied to NetSetGo Competition (U9)

NSG program is to be registered under the junior competition due to the difficulty of getting a yearly registration if move from NSG to U11 in the same year.

- Modified rules
- No finals played
- No ladder produced
- Sportsmanship points awarded for shield (for those playing games)

The modification of our netball game has brought about significant changes in equalizing the opportunity for all children to enjoy an EVEN PARTICIPATION.

Players

Net (Target age 5-6 years)

This group is managed by Clubs as they do not play games.

Once they turn 6 they can join a team

5 year old

- Must be 5 to take part
- All 5 year olds must register for this group. Once they turn 6 they may choose to move into the SET competition.
- Registration is through NetSetGo program on Play HQ.
- This group will not play games but will do netball related dance, games and activities.
- This group will be club based and incorporated in their training.
- Older players, 6-7 years can start in this group if they are new to the game and feel that they are not ready to play the games and once they gain confidence can move into the SET group.

Set (Target 6-7 years)

Can participate in NET if new to the game

- This group will play games with modified rules as set out below.

GO (Target Group 7 - 9 years)

GO1 and GO2 defined by the number of teams registering and being divided by age (9-8) and (7-8)

- This group will play games with modified rules as set out below.
- Players must not be over 9 years of age as of 31st December in the year that they are playing

Grading

- Will be defined by age rather than skill. Nominate your teams in age groups as grading will be looked at from an age perspective.
- Boys are allowed to play and are considered equal to the females
- Paperwork for these teams is the same as the rest of your Junior teams.

Umpires

The umpire role in this grade cannot be understated. It is one of the most important areas of our sport. The manner in which a child is tutored, nurtured and encouraged must be of the most exemplary standard

The Rules for this competition are primarily for umpires rather than coaches. Umpires must be flexible, easy going people, with a desire to help children enjoy and learn the game.

In the interest of the developing players the more experienced umpires will be used on these games. These games will be single umpires managed by the clubs with home team being responsible to make sure the game is covered.

Umpires should

- Use simple language and explain decisions
- Umpire according to the skill level of the players
- Adopt the role of the teacher/umpire rather than a rule enforcer
- Adopt an encouraging manner to ensure the game is free flowing and not stop start
- Use common sense to ensure the spirit of the game for children is not lost by overcalling the game
- The umpire will find they spend the majority of the game on the court with the players
- No Green Shirt umpires are to do these games as they are trying to learn themselves

Coaches

- A size 4 ball must be used.
- Encourage one on one defence.
- Encourage rebounding skills.
- Unlimited interchange may take place at each interval or during the game so long as it does not interfere with the play. This is for players who may be stressed or need to come off court because they are not coping, not for the game plan.
- Each player must play at least two quarters (unless player chooses not to)
- Can only play two quarters in the same position.
- Must play all positions throughout the season providing all players equal playing opportunities and the chance to develop in all positions.
- Can play a player in attack or defence for the whole game but they must move position within that area. This will maintain the idea of attack or defence for the whole game. Must play the next week in the opposite area.
- Are allowed to coach during a match and are allowed to move around the court and may at times need to step on the court. One person only.
- If the game is one sided, coaches should use any means necessary to ensure a good experience for all players ie rotate players into positions they don't normally play, rest the more skilled players.

Rules of the Game - SET

Match Duration	4 x 10 minute quarters
Goal posts	Will be 3.05 meters (10 feet) because we need to have the poles fixed so they remain on the courts.
Ball	Size 4
Time to pass the ball	Up to 5 seconds
Short Pass	As long as the ball is thrown and not handed to another player it is not considered a short pass and should not be penalised as such.
Replayed ball	Can fumble to regain possession, can bounce or bat 2 times to gain possession
Footwork	A little shuffling of the feet on the spot, 1 or 2 steps, after catching a pass is allowed to regain balance before throwing, without moving down the court. Always encourage correct footwork.
Off side Breaking	An off side player not involved with the play should just be reminded where they should be and not penalised. Only penalise a player with the ball if after guidance they still continue to go off side. Do not penalise for breaking on the centre pass, reset with guidance if needed, play on rather than toss up.
Defending	Strict one on one defence.
Obstruction	Opposition players must be 1.2 meters (4 feet) from the player with the ball allowing a clear view of where they want to pass the ball
Penalty Pass	Players can be guided by the umpire to the correct distance with no infringement paid. Contact and persistent obstruction needs to be penalised with the player standing out and an explanation of the rule given. Penalty pass must be taken in correct position and must wait for player to stand out. Advantage rule does not apply to this group except for goal scored.
Throw in	Throw-In to be retaken if foot placed on line after instruction from umpire
Substitutions	Unlimited substitutions can be made at interval times and at any time of the game if a player is upset so long as it does not interfere with the play. This is for players who may be stressed or need to come off court because they are not coping, not for the game plan. This competition is designed to give everyone a turn. Rotation of players in positions ensures that developing players experience all positions. All players must play at least 2 quarters (unless the player refuses to take the court) Players can only play in one position for maximum of 2 quarters. Must play all positions over the season. Can play a player in attack or defence for the whole game but they must move position within that area. This maintains the idea of attack or defence for the whole game. Clubs are allowed to interchange players if a team is short players.
Centre Pass	During game the centre Pass is taken by the non scoring team. Normal rules apply for centre pass at start of quarters.
Scoring	Goals are recorded on the score card but there is no table kept other than to assist with grading. Each player will receive a participation medal. Teams are awarded sportsmanship points and a shield is awarded to the winning team in each division.

Rules of the game – GO

Match Duration	4 x 10 minute quarters
Goal posts	Will be 3.05 meters (10 feet) because we need to have the poles fixed so they remain on the courts.
Ball	Size 4
Time to pass the ball	Up to 4 seconds.
Short Pass	As long as the ball is thrown and not handed to another player it is not considered a short pass and should not be penalised as such.
Replayed ball	Usual rules apply, but need to consider age and skill as to whether they had control. Some fumbling should be expected and allowed
Footwork	A little shuffling of the feet to regain balance after catching a pass is allowed. No moving down the court allowed. Always encourage correct footwork. Where the players are older and more skilled ie NSG 1 the normal footwork rule of netball should be applied where possible with a judgement call made by the umpires for the new players joining this group
Off side Breaking	Usual offside rule applies using judgement call for obvious new players. If continue to go offside after guidance given they must be penalised. Penalise centre pass breaking if continues after guidance given
Defending	Strict one on one defence is allowed. One player only may defend an attempt at goal.
Obstruction	Opposition players must be 1.2 meters (4 feet) from the player with the ball allowing a clear view of where they want to pass the ball.
Penalty Pass	Players can be guided by the umpire to the correct distance with no infringement paid. Contact and persistent obstruction needs to be penalised with the player standing out and an explanation of the rule given. This can be adjusted to normal rules if the skill level of the team is advanced
Throw in	Throw-In to be retaken if foot placed on line after instruction from umpire This Group should understand this rule and can be penalised
Substitutions	Unlimited substitutions can be made at interval times and at any time of the game if a player is upset so long as it does not interfere with the play. This is for players who may be stressed or need to come off court because they are not coping, not for the game plan. This competition is designed to give everyone a turn. Can play a player in attack or defence for the whole game but they must move position within that area. This maintains the idea of attack or defence for the whole game. Clubs are allowed to interchange players if a team is short players.
Centre Pass	Centre Passes will alternate
Scoring	Goals are recorded on the score card but there is no table kept other than to assist with grading. Each player will receive a participation medal. Teams are awarded sportsmanship points and a shield is awarded to the winning team in each division.

DUTY CLUB ROSTER

All Clubs are allocated a Duty week where they are entitled to have a fundraising BBQ.

During this week it would be nice if clubs could assist with:

Beginning of night - making sure the bins are out

End of night - goal post covers returned to box, bins in, courts left tidy.

In this week clubs are permitted to run a BBQ as a Fundraiser. **This is limited to a BBQ and /or Raffle ONLY.** There is a fee of \$20.00 for gas usage which will be billed to the clubs with fees. Canteen Manager must be notified the week before if having a BBQ so stock can be ordered appropriately preventing wastage.

BBQ Roster: Friday nights only. Clubs with an * after their name are the clubs that have applied for a BBQ booking this season. Anyone else wishing to have a BBQ must apply via the President/secretary. The dates not requested may be issued to clubs requesting another BBQ night.

Clubs with red * have booked BBQ so if you want to do a BBQ don't forget to book
